

Maybe he's finally gonna pop the question!

JULIA

Don't even joke about that.

HOLLY

I'm totally serious! You are so lucky, Julia! Glen's a total catch. He's handsome and sweet and he buys you nice stuff. And what do I get? The last guy I dated was Sammy. All he ever gave me was an "I'm With Stupid" T-shirt. It was then that I realized: I was with stupid.

(SAMMY crosses down to them.)

SAMMY

Did I just hear my name mentioned? We been broken up six months, and you still can't stop talking about ol' Sammy. Hows about I buy you a drink?

HOLLY

They're free, jackass.

SAMMY

You know, Holly, your lips are saying "no", but your eyes...

(He looks at her.)

...yeah, they're pretty much saying "no" too.

(He exits.)

#2 - Someday Someday Playoff

JULIA

Did you see the bride? She looks so beautiful...the hair, the dress, everything is perfect. She's like the cover of a magazine.

HOLLY

I know. Don't you hate her?

(HOLLY moves off.)

JULIA

Hate her? She's so happy!

(As JULIA sings, the BRIDE turns and sees the GROOM across the room.)
SHE TURNS AROUND AND SHE MEETS HIS GAZE
THE LIGHTS ARE DIM, THERE'S A SMOKEY HAZE
THEY SHARE A SMILE AND A SECRET WAVE
IT'S A MOMENT BUILT TO SAVE
