

ROBBIE

TO MY DEAREST ROBBIE

I KNOW YOU'RE FEELING LOW

AND THOUGH THINGS MIGHT SEEM DISMAL

THERE'S ONE THING YOU NEED TO KNOW

YOU'LL FIND SOMEONE WHO LOVES YOU

SURE AS WAVES WILL FIND THE SHORE

AND WHEN YOU'RE SAD, REMEMBER

THAT LINDA IS A SKANKY WHORE

(Lights fade on her. SAMMY and GEORGE begin to dress ROBBIE in his tux.)

SAMMY

You gotta get back on the horse, Robbie. Did Rocky lay there on the canvas when Apollo Creed knocked him down? No! Did Marty McFly give up when his time machine ran out of plutonium? No! Did that hot chick in "Flashdance" stop... Flashdancing just because she had a lot of welding and shit to do?

ROBBIE

What are hell are you talking about?

SAMMY

You gotta seize the moment, man. Use your pain to fuel your rise to the top. And if you can't do it for yourself, do it for us guys in the band. C'mon, get up and go spread that Robbie Hart joy. Trust me, it'll make you feel better!

(ROBBIE slowly stands as the lights shift back to the reception hall.)

SCENE SEVEN

#34 - Pre-Casualty - Wedding Day

(A Irish/Irishman wedding reception is in full swing. ROBBIE tries his best to be happy, but it is clearly forced. He begins to sink back into depression by the end of the chorus.)

ROBBIE

SO WHEN IT'S YOUR WEDDING THING

ALL THE BLAH BLAH BLAH BLAH

IF YOU COUNT ON ME

CAUSE... LOVE... WHAT... DO...

(Into microphone.)

So let's hear it for...

(Looks at the banner behind him.)

ROBBIE

OH OH OH

OH OH OH

WEDDING GUESTS
